

Liggett's Orangeade

We believe that Orangeade should be made from FRESH FRUIT, and from a WHOLE Orange and not fortified with extracts. In making Liggett's Orangeade only select fruit is used. By special process the juice of this fruit and the aromatic oil from the orange peel are extracted and by a special formula are incorporated with syrup, delicately flavored and served to you as a delightful, wholesome beverage.

THE old Egyptians were famous bread bakers of their time, but their baking ability was confined almost exclusively to bread. It is different

with us for we specialize in all the good things a modern bakery produces.

Our Pies

are particularly appetizing and in such variety as will suit any taste. Even if we do say it ourselves, the best of home cooks can't beat them. They are an ideal dessert to place on any table.

Quality and cleanliness are the twin mottoes of this bakery at all times.
